FLOOR PLAN – Exhibitor to complete below:

Please draw your structure layout here:

EXAMPLE:

E = Exits
FE = Fire Extinguisher
FA = Fire Alarm
LPG = LPG/cooker/heater & quantity

STRUCTURE SPECIFICATIONS:

Pole Shed/Structure applications will need to supply the following:

- a set of detailed plans of the construction details including concrete footing details,
- Producer Statement (PS1) again this needs to be less than 12 months old when submitting the application,
- detailed site plan showing exact location (with dimensions) within their allotted site.

*Exhibitor Declaration: I will ensure the structure on my site is kept safe and secure at all times and at least one fire extinguisher will be present on my site during the entire field days event. I will ensure the concrete footings will be removed from the site when structure is dismantled, and the site is left as we found it.
